Because you're bombarded with misleading advertising, confusing claims, and simply bad information from lowest-priced service providers and high-pressure salespeople. How do you find a qualified, competent, and professional book publishing service? You start by reading this consumer guide. In this fact-filled report you'll discover the three different kinds of publishing (and how to decide which method is right for you), five costly misconceptions about publishing a book, and nine critical mistakes to avoid when choosing a publishing service. We created this guide to help you better understand the fast-changing world of publishing. Using this information, you can make an informed, intelligent decision that will help make your next publishing project a success!.
