This book is about Awareness; the self, situational, and spiritual awareness of yourself and those around you. Volume 7: Your Guide to Better Awareness, is one of several books that make up The Effectiveness Guide, which provides you with the best in class knowledge, wisdom, and advice on both personal and team effectiveness and contains the minimum level of fundamental knowledge, skill, and ability essential to maximize your true career potential. You re on your own-good luck! Which of these two choices do you directly control? Over the past 50] years, I ve been searching for the answer to what makes some people more effective than others and what do effective leaders do that cause their...
