Kompelling Publishing, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why Are Careers in Flux? Are you lost, hopeless, or angry in your job search? Do you feel alone, cheated, ripped off, or not sure what to do next? Or are you curious to understand the massive shift in the job hunting market currently rippling through the career transition landscape? What if you could understand what is driving this sea change and how Generation Flux is flourishing? Is College Worth it Anymore? Most of us have been told or believed that going to college after high school was worth it in the long run. But is student loan debt really worth the investment? Or is it a debt trap? Allusion of Career Security What if following the traditional career path, with its promise of a retirement pension after 20 or 30 years of dedicated service is not as secure as we think? The good news is that even though the definition of career success is changing, seeming instability in income and job tenure can also lead to be a more rewarding and fulfilling career. Satisfaction in Spite of Complexity With 15 years of twists and turns, Miles Anthony Smith delves into the ups and downs of his career, shares many funny, some sad, and other frustrating stories that will have you laughing and crying as you earn an advanced degree through his many mistakes and missteps. He paints a future of growing complexity where career success is defined by those who are willing to take calculated risks. Create Career Clarity Miles will guide you on a job search journey to understand the past, confront the career development present, and conquer future career success no matter what the job market throws your way. It's Laid...
