Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. A bold, sweeping story of one girl's rise from obscurity to an unpredictable kind of political power. Abandoned by her mother, Hillela is left to be raised by her two aunts in South Africa. At Olga's she might have acquired a taste for antiques and a style of dress to please a suitable husband. At Pauline's she might have developed a social conscience. But Hillela's betrayal of her position as a surrogate daughter so shocks both families that at seventeen she is cast adrift. Swiftly and perilously, her life opens out. She lives as a footloose girl among political exiles on a beach in East Africa, drifting between jobs and lovers, and finally becomes the wife of a black revolutionary. Personal tragedy is ultimately the catalyst for her political development, leading her into a heroic role in the overthrow of apartheid.
