

## Study on the enterprise growth under the transformation economy environment

By Wendong Shi

Diplomica Verlag Nov 2009, 2009. Taschenbuch. Book Condition: Neu. 270x190x8 mm. Neuware - Since the end of the 1970s and the beginning of 1980s, with the political and economic system changes in the world, some enterprises being operated on the basis of market mechanism have emerged in the economy which once implemented the planning resource allocation (such as former Soviet Union, countries in eastern Europe and Mainland China, countries in Southeast Asia such as Vietnam). As the operation mode which complies with the market mechanism is adopted early in terms of the property right and operation mechanism, these enterprises grow rapidly under the loose regulation of the government and in the rapid development of the domestic market. However, with the competition intensified and the internationalization degree increased in the domestic market of the transitional economy, a large number of enterprises have suffered declined business, insolvency, bankruptcy or even winding-up since the 1990s. Some enterprises which grow rapidly in the 1980s are deep in the business operation crisis or even go bankrupt in the middle and later stage of 1990s. This is best demonstrated by the companies which are listed at Shenzhen Stock Exchange, Mainland China in the early stage. According...
