MANCHESTER UNIVERSITY PRESS, United Kingdom, 2016. Paperback. Condition: New. 3rd edition. Language: English . Brand New Book. This completely revised and updated third edition of Scandinavian politics today follows the format of earlier editions by providing a uniquely comparative, thematic and insightful treatment of politics and government in the five nation-states of Denmark, Finland, Iceland, Norway and Sweden, along with the three Home Rule territories of Greenland, Faeroes and Aland that together make up the Nordic region or Norden. Thirteen chapters cover Scandinavia past and present; parties in developmental perspective; the Scandinavian party system model; the Nordic model of government; the Nordic welfare model; legislative-executive relations in the region; the changing security environment and the transition from Cold War security threats to the security challenges of today; and a concluding chapter looks at regional co-operation, Nordic involvement in the European project and the Nordic states as moral superpowers . This new edition will be of relevance to topical UK debates on the Nordic model, welfare system change, Scottish independence and the challenges facing small-state systems in a globalised world. -- .
