She would love to be friends with the squirrels, but they always run away. But one day after she uses her wily dog skills to chase a brown, bushy squirrel up a tree, Moon Shadow finally gets her opportunity. While perched on a branch next to Cloud the squirrel, Moon Shadow tells her she would like to be friends. But Cloud has never been friends with a dog-only other squirrels. As the husky and squirrel talk the day away, they soon discover that what once seemed impossible is not impossible at all! Moon Shadow Takes a Leap is a story about courage, acceptance of differences, and an unlikely friendship between two furry creatures.
