Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Does your faith in Christ change the way you go about your work? As Christians working in the marketplace, we re surrounded by competing ideas that often conflict with our Christian values and beliefs. We may work in environments where loving God with all our heart, soul, and mind is a foreign concept. How do we find joy and peace when our beliefs may not be understood or encouraged? How do we demonstrate the love of God to our coworkers and customers? These studies offer a guide to explore how Scripture relates to your work experiences and what God has to say about your vocation and your coworkers. Take some time over a coffee break or lunch to embark on this journey of discovery with your coworkers or friends. For the eyes of the LORD range throughout the earth to strengthen those whose hearts are fully committed to him. (2 Chronicles 16:9a, NIV) James Bruyn (BMath, MATS, CMA, PMP) is a bi-vocational visionary leader, writer and speaker. He has over twenty-five years of experience delivering innovative solutions for complex business problems. A recurring theme in James ministry leadership is his passion to connect the rich promises of our loving Heavenly Father with the joys and challenges of living out our faith. He and his wife, Susan, have three teenage children.
