Smoke Signal Press. Paperback. Condition: New. 326 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. American seventeen-year-old Kara Jagger had the best intentions for a year-long high school exchange in the land of Aus. She didnt think shed be as unhappy and lonely as she finds herself a couple of months into the experience. Shes battling culture shock and the onset of a secret eating disorder, and is upset mostly with herself for not trying harder to fit in. Karas exchange program assigns a counselor, Ben, to help her get back on track, but her emotions and problems only become more complicated as their romantic attraction ignites. Ben provides motivation and encouragement to overcome her self-destructive behavior, but helping Kara with such conflict of interest risks his own reputation, and triggers unforeseen consequences for them both. Set in mid-eighties Australia, Van Diemen at 17 is a novel about dealing with the unexpected, moving forward, and bittersweet love. A true page turner! Few works of fiction portray realistic exchange students, and even fewer place these characters at the epicenter of a human drama. Kara is a compelling character facing a range of both ordinary and extraordinary issues as she attempts to live with a family of strangers and adjust to the demands of a new school in Tasmania. Although Karas exchange story is atypical, her story is a realistic portrayal of the kinds of situations and personal reactions to them that do crop up every year for a few students. The sympathetic rendering of a conflicted young woman is heartfelt and will resonate with anyone who has struggled to make sense of life in another culture. -- Bettina Hansel, Ph. D. , Author of Exchange Student Survival Kit, 2nd Edition This item ships from multiple locations. Your book may arrive from Roseburg,OR, La...
