Lmh Publishing, Jamaica, 2008. Paperback. Condition: New. Language: English . Brand New Book. In this, the pulsating sequel to the cult favourite, Merchants of Death, the beautiful, enigmatic detective, Terri Miller, is back. After the birth of her son, Terri decides to remove herself from frontline duty and takes up an administrative post. However, a series of brazen and sadistic rapes across Kingston forces Terri back into action. The pattern of the rapes suggests that the acts are being carried out by the same man. A serial rapist is on the loose and has the women in Kingston running scared. The case becomes personal when Anna, Terri's best friend, becomes a victim. Terri is determined to catch the rapist by any means necessary - even if she has to use herself as bait. Chilling and graphic, this psychological thriller is bound to keep you on the edge of your seat.
