RESTORATIVE JUSTICE (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2009. Hardback. Condition: New. New.. Language: English . Brand New Book. Over the last decade or so, more has been more written and talked about restorative justice than any other criminological topic. In addition to the proliferation of published work, there have been numerous national and international conferences and seminars both within and outside the academy, and the stream of e-conversations taking place via the many and various restorative justice e-mail lists and websites is in constant spate. As research on and around restorative justice flourishes as never before, this new four-volume collection in the Routledge Major Works series, Critical Concepts in Criminology, meets the need for an authoritative reference work to make sense of the subdiscipline s rich and diverse heritage. It provides a much-needed map to steer students and scholars towards the truly essential foundational and cutting-edge materials and offers an essential grounding in the philosophy and principles of restorative justice in a number of jurisdictions around the world. Furthermore, it furnishes users with a critical awareness of the potential and the pitfalls of restorative justice in responses to crime, conflict, and civil disputes. The first volume in the collection (The Rise of Restorative Justice) brings together the best research that inspired the restorative justice movement and gives a flavour of some early practices that, on reflection, can now be considered to be at least partly restorative. The work gathered here considers the competing definitions of restorative justice, distinguishing between those that focus on restorative values and principles, those that emphasize aims and outcomes, and those that are premised on the idea that the term should only be applied to specific processes or programmes. Volume I will also develop in readers a critical approach to the relationship between punishment and restorative...
