## ART OF CREATION: TURN ON THE POWER OF YOUR INNER CREATIVE FORCE (PAPERBACK)

iUniverse, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The question Who am I? has always been asked throughout the history of mankind. Art of Creation helps you to get to know yourself and realize that what we call our character or I, is a mixture of many different and often conflicting personalities and psychological centers. In a way, there is a crowd living within our psyche. Each of these centers have their own beliefs, needs, desires, emotions and goals, which are often contradictory to one another. Therefore we are constantly being uncontrollably pushed and pulled by these subconscious forces. It is as if a constant inner war is going on within our subconscious psyche. By becoming aware of these hidden and subconscious centers and personalities, and by learning about their negative influences on or lives, we can systematically work toward achieving inner peace balance and harmony, by dropping and eliminating them and creating one unified center. Uncovering the mystery of the human mind is very essential if we were to live a more fulfilling and enriched life. Bringing spirituality and psychology together, enables us to understand what our mind is. And also know what may be wrong with it, and then correct and balance the existing problems. Art of Creation brings psychology, NLP, biology and mysticism together, by creating and presenting a systematic method for self-realization and self-transformation. It uncovers that the reason behind the success, health and happiness of some people, which is caused and created by their certain positive mind management which they have intentionally or subconsciously picked up and applied. Thus it teaches us to model and install the same positive mental patterns, and therefore create the same desired state of beings and results.
