Lounging at the beach, soaking in the sun listening to the waves washing against the shore. No worries, no cares because after all, it s vacation. It s memories like these that inspired this collection. If you are decorating a weekend retreat at the beach or just want to bring a little of that back to your land locked abode, these images should do the trick. They can be used to decorate a piece of furniture or add special touches to a bathroom with a Seaside Theme. The book includes 6 stencils: a butterfly fish, a conch shell, a hermit crab, a scallop shell, a sea gull and a seahorse. Each stencil can be used individually or combined to create a Seaside Scene. Book includes complete instructions tips.
