Farrar, Straus and Giroux, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "There is something about the way they blend their lives, the way they are kind to each other, that is so comforting. It makes a reader long for the book, for the world of the book -- the long winter evenings, the summer days with visitors and friends. Wachsberger has a wide-eyed, boyish gratitude -- how could this life have possibly come to him? He does not seem to realize that he created it." -- Susan Salter Reynolds, Los Angeles Review of Books "Clyde Phillip Wachsberger's delightful memoir about tending beds of flowers as compensation for a lonely middle age only to find unexpected romance along the way is a sweet reminder that, as he puts it, 'anything can happen in a garden.' In prose that balances candor with perfect courtesy, he charms us with the message that keeping a garden with a beloved companion, this most ephemeral of all the arts, can bring us the most enduring joys and pleasures." -- Philip Gambone "Clyde Phillip Wachsberger has written a sweet and poignant book about loneliness and love and the restorative power of a garden." -- Page Dickey, author of Embroidered Ground.
