W F Howes Ltd, United Kingdom, 2013. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. In summer 2010 Simon Armitage decided to walk the Pennine Way. The challenging 256-mile route is usually approached from south to north, from Edale in the Peak District to Kirk Yetholm, the other side of the Scottish border. He resolved to tackle it the other way round: through beautiful and bleak terrain, across lonely fells and into the howling wind, he would be walking home, towards the Yorkshire village where he was born. Travelling as a modern troubadour without a penny in his pocket, he stopped along the way to give poetry readings in village halls, churches, pubs and living rooms. His audiences varied from the passionate to the indifferent, and his readings were accompanied by the clacking of pool balls, the drumming of rain and the bleating of sheep. WALKING HOME describes this extraordinary, yet ordinary, journey. It s a story about Britain s remote and overlooked interior - the wildness of its landscape and the generosity of the locals who sustained him on his journey. It s about facing emotional and physical challenges, and sometimes overcoming them. It s nature writing, but with people at its heart. Contemplative, moving and droll, it is a unique narrative from one of our most beloved writers. This recording is unabridged. Typically abridged audiobooks are not more than 60 of the author s work and as low as 30 with characters and plotlines removed.
