Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. For centuries, Cupid has longed to be more than Venus's arrow boy. When he's sent to eliminate Happily Ever After by Amelia, the matchmaking business threatening Venus's status as the goddess of love, Cupid decides to steal Amelia's methods and make his own matches. While spying on Amelia, Cupid accidentally shoots himself with his magical arrow and falls in love with her. But bereaved Amelia doesn't believe in the existence of Roman gods, and she's certainly not looking for romance. She's too busy perfecting the patented personality profile that's made her Hollywood's favorite matchmaker. Disguising himself as a mortal financial advisor, Cupid manages to break through Amelia's guarded exterior. As their passion deepens so does Cupid's guilt about deceiving Amelia. Cupid's interference with Amelia's life causes her business to falter, leads to a sterile spring that threatens the animal kingdom and shatters the longstanding peace between the Roman and Greek gods. With the fate of the natural and under worlds at stake, Cupid must decide whether to reveal his true identity and risk losing the chance to live happily ever after with Amelia.
