Flash History Press (US), United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Transforming the power in Eleanor s story to your story starts now. Whatever the scale of your rendezvous with destiny, the fact remains it is up to you to live it. Eleanor s story is a do-it-yourself guide that shows us how to accomplish many things. From a childhood plagued with drunks and drama queens, Eleanor must now discard her dependency on Franklin and face off with her grand dame mother-in-law. Refusing to cave in to society s rules, Eleanor s exuberant style, wavering voice, and lack of Hollywood beauty are fodder for the media. First Lady for thirteen years, Eleanor redefines and exploits this role to a position of power. Using her influence, she champions Jews, African Americans, and women. The audacity of this woman to live out her own destiny challenges us to do the same. After all, it s not about Eleanor. Her story is history. Her life shows us how to live.
