Elements of Statistics (Classic Reprint) (Paperback)

By Arthur Lyon Bowley

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Elements of Statistics Throughout is intended to be suitable for those whose mathematics have not been carried to any height or have become rusty from disuse. With this view, when mathematical symbols were unavoidable, the preliminary hypotheses have been first discussed without algebraic notation and at some length, and those proofs have been chosen which require the minimum mathematical knowledge rather than those which lead most directly to the result. Thus the most important results of the Theory of Error have been obtained without the use of the Differential or Integral Calculus, and it is hoped that the greater part even of the chapter on Correlation will be intelligible to those who are not so well equipped as the Major General in the Pirates of Panzaoe. Part II. Is intended to be introductory and is certainly incomplete the normal law of frequency is the only one discussed, and the correlation of three variables is untouched. The more advanced treatment of this part of the subject is likely to be of interest to but few, who will have...
