Are you tired of the same old boring ruled notebooks? So then you are in for a treat. Well, let's be honest, the only real difference between these journals and the others is the fact the covers are more fun. If you are going to be stuck somewhere taking notes, why not have a great looking book to do it in. Maybe you are going to use this as a journal and appreciate the lined margins. It helps keep everything nice, neat and orderly. It makes it easier to know where to start on the page after all. These are also the perfect size to fit into backpacks, purses and maybe even a large jacket pocket. Even though all the details are above, let's recap the features. These are 6 x 9 notebooks with 100 ruled pages with a great looking cover. Pretty straight forward and simple. The great thing about these is you can make them into anything you want. Like any of the following: Travel Journal, Dream Journal, Coaches Notebook, Subject Notebook, Gratitude Journal, Recipe Book. And the list goes on. So why not try something new and exciting and grab one of these notebooks today. Just scroll up and hit the add to cart button today! This item ships from La Vergne, TN. Paperback.
