SYSTEME LEFAUCHEUX: CONTINUING THE STUDY OF PINFIRE CARTRIDGE ARMS INCLUDING THEIR ROLE IN THE AMERICAN CIVIL WAR

Armslore Press, 2002. Hard Cover with dust jacket. Condition: New. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. French arquebusier Casimir Lefauchaux may rightfully be called the prophet of a new age of firearms. His invention, in 1833, of the pinfire system opened the door on the concept of practical self-contained ammunition, eventually prompting the development of today's modern centerfire metallic cartridge....

Reviews

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).

-- **Mr. Golden Flatley**

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.

-- **Dalton Mertz**

Completely essential study publication. Better then never, though i am quite late in start reading this one. I am very easily could get a delight of reading a composed publication.
