

NAMA Mia! (Paperback)

By Ross O Carroll-Kelly

Penguin Books Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. It was no country for young men. Or women .Unemployment, emigration and do-it-yourself hair colour kits were once again a fact of life. Taxes were on the up, the IMF were on the way and there was a cash for gold outlet in Foxrock Village. But the signs for recovery were good - for me, at least. I was the chief executive of one of the few businesses turning a profit in this town, a shredding company helping to dispose of the Celtic Tiger s dirty little secrets. And I was getting plenty of love action - as the boy-toy of an attractive sixty-year-old woman who was totally rolling in it. I never imagined myself ending up as a gigolo. But, as the saying goes, where there s a will, there s a way-hey-hey! With presents galore, sex on demand and a hot meal on the table every night, life was starting to look up again. All I had to do to avoid focking it up was to keep my chinos buttoned. And, well, you can probably guess how that went.
