Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Return of Spartacus is the fourth of the highly acclaimed and best selling historical mysteries set at the height of the Roman Empire. The year is now 165 CE, 2 years after Marcus Aurelius Betrayed, 4 years after The Cyclops Case and 7 years after Mars the Avenger. In The Return of Spartacus, Marcus Flavius Severus, Judge in the Court of the Urban Prefect in the City of Rome, is assigned to investigate murders of gladiators outside the arena, in the Ludus Magnus, the gladiator school in Rome. Severus is told he must put a stop to the killings. Severus is also told that there may be new Spartacus hidden among the gladiators. Whether a new Spartacus is now emerging almost 250 years after the original Spartacus revolt, and whether he is involved in the killings is not known. But Severus is told that any gladiator or slave revolt must be stopped in its tracks. The assignment is not an easy one for the judge. Two of his aides are former slaves and in sympathy with a slave revolt. Severus himself is conflicted by the definition of slavery in Roman law as an institution contrary to the Law of Nature and the pragmatics of slavery in the world he lives in. He also never goes to the gladiator games himself for his own reasons. Nevertheless, Severus must now enter the world of the gladiator. The gladiators, the owner of the gladiator troupe, the lanista who trains them, the Procurator who heads the school, the women who service the gladiators and ex-gladiators all must be investigated. Scenes are set throughout the City of Rome as the investigation requires, including...
