

## Wine in Words: Some Notes for Better Drinking

Filesize: 2.72 MB

### **Reviews**

*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
**(Marlin Swift)**

Rizzoli International Publications. Hardback. Book Condition: new. BRAND NEW, Wine in Words: Some Notes for Better Drinking, Lettie Teague, Delectably brief essays that tell you only what you need to know to enjoy wine. There are wine encyclopaedias, bibles, and guides-this is not one of those books. It doesn't contain everything, just the really important stuff: the truly key wines, grapes, regions; tips about wine buying, aging, and storage; and useful explanations about tasting notes and whether or not vintages really matter. In short, this book covers the real absolutes that you need to know about wine. With the pithy wit that readers of her columns have come to expect, Lettie Teague breaks down the stumbling blocks that often intimidate us and clears up the myths that cloud our understanding. A series of mini-essays cover the essentials in a fun, omnibus fashion. The tone is sometimes irreverent, sometimes opinionated, but always practical. For instance, there are entries such as The Unbearable Oakiness of Being, Can Wedding Wine Be Good, and Why You Really Need Only One Glass. Other entries may provoke some lively debate, such as Men Are from Cab, Women Are from Moscato and In Defence of Wine Snobs." The opposite of a didactic textbook, this volume is not meant to be read from start to finish. Instead, like wine itself, it encourages small contemplative sips. It is a companion for the modern taster, a concise and curated collection of tidbits to satisfy anyone with a lively curiosity and palate.
