BANDITS OF TIME: THE LAWS FOR IMPROVING PERSONAL EFFECTIVENESS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time Management is a misnomer because no one can manage time. It keeps on ticking no matter what. People can only manage the things within their control; such as, planning and prioritizing, organizing the work, delegating properly, solving problems, and making decisions. Bandits of Time offers ten Laws, ten strategies for enforcing those Laws, and an action planning tactic for implementing the Laws to ensure you put those Bandits away for life. This book is a valuable resource for those who want to get more done. If you enforce the Laws presented in this book you will increase your productivity by at least 25%. Each chapter is filled with tips on how to get control of your life.
