# EFFICIENT COGNITION: THE EVOLUTION OF REPRESENTATIONAL DECISION MAKING (HARDBACK)

MIT Press Ltd, United States, 2018. Hardback. Condition: New. Language: English . Brand New Book. An argument that representational decision making is more cognitively efficient, allowing an organism to adjust more easily to changes in the environment. Many organisms (including humans) make decisions by relying on mental representations. Not simply a reaction triggered by perception, representational decision making employs high-level, non-perceptual mental states with content to manage interactions with the environment. A person making a decision based on mental representations,...
