

Hippy Dinners: A Memoir of a Rural Childhood

Filesize: 8.14 MB

Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

HIPPY DINNERS: A MEMOIR OF A RURAL CHILDHOOD

[DOWNLOAD](#)

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Hippy Dinners: A Memoir of a Rural Childhood, Abbie Ross, In 1972 Abbie Ross' cosmopolitan parents move the family from London to rural North Wales, exchanging a town house in Islington for a remote farmhouse on a hill. Abbie's Liverpoolian grandparents - dedicated followers of Liberace, sleek in scented mohair and patent leather - are sure they've lost their minds. For Abbie, though, the only cloud on the horizon is the nearby hippy commune and its inhabitants. There are worrying signs that this is the sort of 'better life' that her parents have in mind. Brilliantly evoking a particular time and place, Abbie's memoir re-creates a world of dens and pineapple chunks, of John Craven's Newsround and fishing for sticklebacks - and the joy but also the burning powerlessness of being a child. Disgusted by her father's 'yogic flying' and her mother's taste for brown bread and billowing cheesecloth (with no bra), Abbie is desperate not to be different. Far better, she thinks, to fit in with shouting, pathologically nosy Sara across the fields, or stay close to Philip next door - paralytically shy and with a preference for orange food and no trousers ('nice to have a bit of air'). Rich with detail that reveals a whole world, Hippy Dinners is very funny and full of heart. It is also a delicate and astute portrait of the brutal realities of 'a simple life'.
