GRANNY S WONDERFUL CHAIR: CHILDREN S BOOKS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. PREFACE The writer of Granny s Wonderful Chair was a poet, and blind. That she was a poet the story tells on every page, but of her blindness it tells not a word. From beginning to end it is filled with pictures; each little tale has its own picturesque setting, its own vividly realised scenery. Her power of visualisation would be easy to understand had she become blind in the later years of her life, when the beauties of the physical world were impressed on her mind; but Frances Browne was blind from infancy. The pictures she gives us in her stories were created, in darkness, from material which came to her only through the words of others. Her endeavour was to realise the world independently of her own personal emotion and needs. She, who, out of her darkness and poverty, might have touched us so surely with her longing for her birthright of light, for her share of the world s good things, gives help and encouragement to the more fortunate. In reading the very few details of her life we feel the stimulation as of watching one who, in a desperate fight, wins against great odds. The odds against Frances Browne were heavy. She was born at Stranorlar, a mountain village in Donegal, on January 16, 1816. Her great-grandfather was a man of considerable property, which he squandered; and the younger generation...
