HEALTH CARE, ENTITLEMENT, AND CITIZENSHIP (PAPERBACK)

University of Toronto Press, Canada, 2002. Paperback. Condition: New. New. Language: English . Brand New Book. Access to universal health care in Canada has become a symbol of national identity and, as such, has also become a highly contentious and politically charged question in the field of public policy. The extent of the passion and disagreement that health care issues provoke is evident in the simple fact that although Canada has undergone dramatic changes in citizenship development since the early...
