

## Cultivating Social Justice Teachers: How Teacher Educators Have Helped Students Overcome Cognitive Bottlenecks and Learn Critical Social Justice Concepts (Paperback)

By -

Stylus Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Frustrated by the challenge of opening teacher education students to a genuine understanding of the social justice concepts vital for creating an equitable learning environment? Do your students ever resist accepting that lesbian, gay, bisexual, transgender, or queer people experience bias or oppression, or that their experiences even belong in a conversation about diversity, multiculturalism, or social justice? Recognising these are common experiences for teacher educators, the contributors to this book present their struggles and achievements in developing approaches that have successfully guided students to complex understandings of such threshold concepts as White privilege, homophobia, and heteronormativity, overcoming the bottlenecks that impede progress toward bigger learning goals and understandings. The authors initiate a conversation - one largely absent in the social justice education literature and the discourse - about the common content- and pedagogy-related challenges that social justice educators face in their work, particularly for those doing this work in relative or literal isolation, where collegial understanding cannot be found down the hall or around the corner. In doing so they hope not only to help individual teachers in their practice, but also strengthen social justice...
