Editions Didier Millet Pty Ltd. Hardback. Condition: new. BRAND NEW, Royal London, John Cleave, Roger Williams, London is the royal capital of the world. Nowhere else is steeped in such regal riches. Royalty can be read about in history books, watched in colourful ceremonies and wondered at in lively gossip columns. But most of all, the royal city can be seen and understood in its wonderful, diverse architecture. Using his own unique method of turning photographs into works of art, the highly creative architectural photographer John Cleave continues Editions Didier Millets innovative Sketchbook series by focusing on the citys royal buildings. Here, dating back many centuries, are the glorious palaces of kings and queens, their places of worship and repose, the parks they laid out and the institutions they patronised. Whether in public spaces or in private corners, royalty has stamped its mark right across the city. This isnt just the London of tourists. It is the place Londoners know and love, too, and John Cleaves beautiful pictures evoke Royal Londons finest details, its quiet confidence and its enduring majesty.
