

The History of the English People 1000-1154 (Paperback)

Filesize: 8.44 MB

Reviews

I just started reading this article ebook. It really is written in easy phrases and not difficult to understand. I am just very happy to tell you that here is the very best pdf we have read during my individual life and might be the very best ebook for actually.
(Camren Kivalis)

THE HISTORY OF THE ENGLISH PEOPLE 1000-1154 (PAPERBACK)

Oxford University Press, United Kingdom, 2009. Paperback. Condition: New. Reissue. Language: English . Brand New Book. In the year of grace 1066, the Lord, the ruler, brought to fulfilment what He had long planned for the English people: He delivered them up to be destroyed by the violent and cunning Norman race. Henry of Huntingdon's narrative covers one of the most exciting and bloody periods in English history: the Norman Conquest and its aftermath. He tells of the decline of the Old English kingdom, the victory of the Normans at the Battle of Hastings, and the establishment of Norman rule. His accounts of the kings who reigned during his lifetime - William I, Henry I, and Stephen - contain unique descriptions of people and events. Henry tells how promiscuity, greed, treachery, and cruelty produced a series of disasters, rebellions, and wars. Interwoven with memorable and vivid battle-scenes are anecdotes of court life, the death and murder of nobles, and the first written record of Cnut and the waves and the death of Henry I from a surfeit of lampreys. Diana Greenway's translation of her definitive Latin text has been revised for this edition. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
