

Christmas House: Love for a Child (Hardback)

By Rich Luster

AUTHORHOUSE, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.All that I have seen, the magic of life with all its colors. With the pushing and pulling of our lives capturing us one by one only to find that too late, we are all playing catch up. This bright blue marble, small she is, is making us realize that we are all so much alike. This and all that I have experienced are causing this author to release a flow of spirited emotions. The warming of winters chill. The flavors of holidays still simmering amidst the red ambers of time. Unlocking the hidden beat that s been playing hide and seek from all only to become a memory. This story came to be when this sleeping Giant awoke inside of me. With each beat of life beginning to flow through me as I lay my hands against pad and pencil.
