Reviews

*An extremely great ebook with perfect and lucid answers. This is certainly for anyone who statted that there was not a well worth looking at. Its been designed in an exceptionally simple way and is particularly only soon after i finished reading through this ebook in which actually transformed me, modify the way in my opinion.

Brand New Book ***** Print on Demand *****.Trapped behind enemy lines, a handful of America's best jet pilots, led by ace Beau Gex, discover a dozen old World War II aircraft that they can use in guerrilla-type warfare against the invaders-their enemy. But when the invaders find one of the SR-71 Blackbirds-and intend to use it to destroy the space station, Starburst-Beau and his men are forced to fly one last deadly mission. Now America's future depends on Beau, its best pilot, defeating an F-14 Tomcat at night. But all he has is an antiquated P-51 Mustang and an old Indian Legend, Moon Shadow. Book 2 in the Moon Shadow Series In 2016 the Muslim Brotherhood has infiltrated America rising in numbers from three million in 2008 to over twelve million in 2016. They have established more than 45 jihadist camps across America determined to take over America and install Sharia law. Members of the Brotherhood attain key spots in the government and military. Hundreds of thousands are granted amnesty, while tens of thousands walk freely across the border of Mexico with the help of America's liberal administration, the Department of Justice and the President of the United States. Unmolested they roam freely across America doing Allah's work. Muslims control the Department of Homeland Security with unlimited weapons and billions of rounds of ammunition. With men in key positions, Christians have been labeled traitors and the debt is given no limit with the express intent of bankrupting America. The United States is destroyed, not so much from outside forces, but rather from the greed within. Unable to pay what remains of the military they simply go home. Along with the President, the Department..
