Is it possible to be one of the world's most dangerous whistleblowers and still make a killer meatloaf? Becky Taylor is about to find out. As a stay-at-home mom with an adorable four-year-old son, Becky Taylor knows she has her hands full. Even though she's juggling her husband's important career ambitions, competitive playgroup moms, and a sister who won't stop reminding her of the dreams she once had to fight for social justice, Becky still feels something is missing. When she discovers a disc with damaging information about a megabank, Becky begins covertly moonlighting for one of the world's most controversial websites, exposing state and corporate secrets.
