

The Last Amendment (Paperback)

By T a Miller

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A well-choreographed terrorist attack thrusts the United States into depression, yet partisan gridlock in Washington will not relent, dashing any hope of recovery. With nothing to lose, retiring Representative Bart Scattercorn makes a radical last-ditch suggestion: permanently divide the country by ideology so that freedom might survive. To his surprise, and eventual lament, the notion takes root and a constitutional amendment is drafted which raises two entirely new nations - one purely conservative, one purely liberal - from America's ashes. From the midst of all this comes the diary of Bart's granddaughter Bee. A childhood illness cost Bee her hearing but left her with perception far beyond human understanding. Bee's journal entries, along with poignant letters to and from her famous grandfather, combine to chronicle not only the search for meaning in Bee's mysterious ability, but also the hopes and dangers of this second (perhaps not-so-unlikely) American revolution.

Reviews

Just no words to explain. Indeed, it is actually play, nevertheless an amazing and interesting literature. Its been written in an exceptionally simple way and is particularly simply following i finished reading through this ebook by which in fact altered me, alter the way in my opinion.

-- **Leilani Rippin**

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
