

When Dinosaurs Roamed New Jersey (Paperback)

By William B. Gallagher

Rutgers University Press, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book. Ever since the beginnings of paleontology in America, New Jersey has been the place and William Gallagher--who terrorized his South Jersey mother by traipsing home with green mud, marl, and fossils--is the ideal guide to the wonderful dinosaurs and other fossils of the region. High school and college students, their teachers, interested general readers and professional paleontologists will all enjoy this book! -Earle E. Spamer, The Academy of Natural Sciences, Philadelphia Citizens of New Jersey have needed this book for a long time .William Gallagher shows all New Jerseyans why they can be proud of their state s role in dinosaur paleontology and in science as a whole. -David Parris, curator of natural history, New Jersey State Museum A very enjoyable read--and an ambitious work that not only deals with dinosaurs of the New Jersey region, but much more besides. The hard-core dinosaur crowd will certainly want it, no matter where they live. -Louis Jacobs, author of Lone Star Dinosaurs and Quest for the African Dinosaurs An impressive historical account of the search for dinosaur fossils in New Jersey .a fascinating account of prehistoric New...
