Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Nicolette Mace is a private investigator out of necessity, not choice. With her family dead and nowhere else to turn she had to learn to stand on her own two feet and live the only way her father ever taught her to. Life as a private investigator isn't all big cases, excitement and arch enemies. Filling the Afterlife from the Underworld follows the day to day musings and activities of Nicolette Mace: The Raven Siren, taken from her online blog. My name is Nicolette Mace, but you might know me as the Raven Siren. I'm a Private Investigator living the 1930s romantic dream in this new and exciting modern age. I keep records of everything that happens; everything I have seen and done. Why? There are more things in heaven and earth, Horatio, than are dreamed of in your philosophies. Events featured in this volume take place between Nicolette Mace: The Raven Siren - Beginnings and Nicolette Mace: The Raven Siren - The Kevin Metis Saga. So when Fred and Harry turned up at my office, put me in handcuffs and threw me in the back of the car I assumed that I was just being arrested again - this time for break and entering, however when I was taken to the airport and frog marched between the two of them onto a plane that took off; I got the impression that I wasn't being taken to the police station - call me crazy. -Holidays, Nicolette Mace.
