This item is printed on demand - Print on Demand Titel. - Essay from the year 2008 in the subject Business economics - Economic Policy, grade: 1.3, Marmara University (Department of Economics), course: Turkish Economy, 22 entries in the bibliography, language: English, abstract: People living in Turkey might have very well experienced it, people, like the author, looking at Turkey as an independant observer, might not know it too much. Since it's foundation in 1923, Turkey witnessed turbulent times almost thoroughgoing the 20th Century. Political as well as economical wise. Economically the climax was reached when Turkey felt into international insolvency in 1978. From then on, although attempts were made in earlier years too, large reforms were introduced. In this paper we will look at the Turkey's trade policy before and after the liberalization reforms of the 1980's. Trade liberalization mostly implies less intervention by the government in the traded goods sectors. But whether a less interventionist trade regime results in a less distorted, more open and outward oriented economy will depend on the characteristics of the pre- and post-reform trade and exchange rate regimes. This paper aims to present a...
