CAIN: AND OTHER POEMS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Cain: And Other Poems This little book is thrust upon the public, without excuse or apology. Some of its contents have already found their way into print and have elicited words of praise from indulgent friends of the author, who have been kind enough to express their approval; but whether such approval sprang from common courtesy or deep sincerity, I know not. However, I trust that the cordial reception given the individual poems will not now be withheld from this collection. I cannot but feel that whatever has thrilled me, may, perhaps, thrill others. If I have caught a single bar of cadence from the great firmament of song, and dashed it upon a single soul that had not seen it before, my efforts have not been in vain. One heart-string made to vibrate with a new thrill, one life made to see a brighter hope, or one soul made to hear the voice crying from the heights, is better than an eternity of praise. These songs are sung in varying keys Some may touch the chord of joyousness and hope; others may be fraught with the wail of the minor, - but what soul is there without its minor? My sincerest hope is that some human harp of heart may be constrained to tremble into sympathetic harmony with my own, and thus transmit the melody, eliminating whatever discords may exist, until it swells into perfect song in the heart of the reader. Trusting that something may be found that is worthy and nothing that is disappointing, I commend these simple poems to your kind indulgence and sympathetic consideration.
