DECOMPOSITION OF SPATIAL INEQUALITY IN SRI LANKA

Thusitha Kumara
Decomposition of Spatial
Inequality in Sri Lanka

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Inequality between urban and rural areas is increasing in the recent past in almost all the developing countries. The contribution of the household characteristics for the generation of spatial inequality is widely discussed in the inequality literature while the effect of the area where the people live in is rarely discussed. This study analyses the urban rural inequality in Sri Lanka, using household consumption expenditure as a proxy measure of household welfare...

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.
