P L Publications, United States, 2009. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you even wanted to start your own company and work from your home? Make your dream a reality! Learn how to start a profitable home-based business selling used items online. Selling Online includes all the information you will need to succeed. You will learn: Where to find items to sell online: Where to look for used items to resell, both on the web and in your own neighborhood. Where to find new items to sell online. What to buy and how much to pay: What products you should focus on and what you should avoid. Find the items that sell the fastest, are the easiest to store, and are simple to ship. Where to sell your items online: Detailed instructions on how to sell online without ever owning a website. The five best websites to use, plus over twenty other websites where you can sell your items. How to become a professional online seller: Automation software and inventory management techniques. Shipping your orders and how to provide customer service. How to start your business: Registering your business and dealing with taxes. Accounting tips and where to find free accounting software. About the author: Patrick Leo is an author and professional online seller. Formerly an auditor for a Certified Public Accounting firm, he began selling used items online in 2003. He found selling online to be so profitable that he started a home-based business and has been able to sell from the comfort of his home ever since. He specializes in selling used books, CD s, DVD s, and video games and has sold items on every major sales channel on the Internet; including , ,...
