Le lendemain du tournage, on reste sous l'impression du spectacle, on ne remarque rien que les fautes, on s'hypnotise sur les détails absurdes. L'admirable dans le cinéma, c'est ce tour de cartes perpétuel qu'on exécute devant le public et dont il ne soit pas connaître le mécanisme. La Belle et la bête chronique d'une amitié entre Cocteau et Jean Marais constitue le témoignage mouvant du combat que mène le poète et son œuvre contre l'ange de la maladie. The next day of shooting, we remained under the impression that it was theater, we noticed only the faults, we were hypnotized by absurd details. What is admirable in cinema is this perpetual dealing of cards, performed in front of an audience, the mechanics of which remain unknown. Beauty and the Beast, chronicle of the friendship between Cocteau and Jean Marais, is a moving testimony of the battle waged by the poet and his work against the angel of illness. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
