CINEBOOK: The 9th Art Publisher, 2010. Soft cover. Condition: New. 1st Edition. 48pp Suitable for: 8+ years. [In stock in Australia now, for immediate delivery]- The Bluecoats is a humorous series set during the American Civil War and is centred around two cavalrymen in the Unionist Army: Cornelius Chesterfield, a zealous and devoted sergeant, and Corporal Blutch, a reluctant soldier, highly critical of authority who always tries to eschew yet another senseless battle. This highly comical duo does what it can to escape the often obtuse military mindset, absurd orders and madness of war. In this adventure . Blutch and Chesterfield go up in an observation balloon in order to spy on the Confederate troops. But the plot thickens when our heroes crash land on their superiors. The generals send them behind enemy lines to try and free Stark, who has been captured on a previous sortie. A tricky mission, not only for our heroes, but also for the other side. 'The American Civil War has never been so amusing. Raoul Cauvin and Willy Lambil have a knack for turning the miseries of war into a slapstick routine' [Penny Kenny].
