Candlewick. 1 Cloth(s), 2015. hard. Book Condition: New. On a windy autumn day, a mother and daughter set out walking, and as they make their way, they share little adventurespying a kitten, seeing the trees zigzag with streaks of color, catching some floating milkweed, watching the setting sun color the clouds. Throughout their walk, the girl keeps urging her mother to "say it" with more and more persistence. What could "it" be? This story for readers and listeners up to 7 by the author of *Some Things Go Together* was originally published in 1980, while Charlotte Voake's cozy, impressionistic watercolors were commissioned for this 2015 edition." [Charlotte] Zolotow's language is rich in onomatopoeia, description, alliteration, and movement, explaining why it has endured since its original publication. Voake's watercolors, newly created for this rerelease, float and swirl like the autumn wind itself, complementing the text wonderfully." Booklist 28.
