Summary: This book presents Russian and English versions of three old stories. Each of them has a hidden meaning, which makes reader think hard trying to find it. First story is about a bird that lives in a golden cage and seems to have everything but freedom. Will she get it? The second tale is about a scholar and his way to wisdom. And the last story gives some good advice coming from a bird. We hope you will enjoy the fairy tales together with the quotes that precede them. "My Grandma's Fairy Tales" is a series of fairy tales from around the world. The books are bilingual and should be interesting for adults and children as well. You can read the story in the language that you are learning and verify your understanding by reading the opposite page in which the same text is written in your native language. No need to open the dictionary.
