Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. - . Les arts n ont peut-etre jamais pris en France un developpement plus considerable que dans ces dernieres annees. On a immensément produit; mais les oeuvres sont plus variees que choisies. On reconnait tout d abord, en parcourant la vaste galerie du Musee, recouverte de tableaux modernes dans toute son etendue, cette facilite de conception et de reproduction qui caracterise le genie francais. Dans toute cette peinture, il y a plus d eclat que de solidite, plus d aisance que de correction. Comme chez nos improvisateurs quotidiens, ecrivains politiques ou litteraires, c est rapide, c est clair, c est amusant, mais peu profond. Uni a la litterature par des harmonies communes, l art est comme elle l expression de la societe. Chaque ecole, chaque secte, chaque petite eglise litteraire a son analogue chez les peintres. Nous avons les erudits, les naifs, les penseurs, les analystes, les reveurs, les philosophes et les neo-chretiens. L un recherche la chronique, l autre l anecdote dramatique, quelques-uns l histoire. Tous font grand cas de la couleur locale et du detail technique et pittoresque.-.
