Brand New Book ***** Print on Demand *****.In these turbulent times of war and continued reference to the end of days, several researchers look to the Bible Code for hidden prophecies about our future. A renowned iconographic mathematics professor, Dr. Josh Sails, stumbles upon undiscovered Mayan references in the Bible Code, which lead him to find hidden Mayan symbols. Locating the symbols provides evidence that the end date of the Mayan calendar, December 21, 2012, is the actual date when the world will end. Professor Sails also finds his name connected with the name of the other central character, N.S.A Special Agent Katherine Natan, in the same Mayan Bible Matrices. Realizing the significance of Agent Natan in preventing Armageddon, Professor Sails seeks her out. Together, they must secretly review the past, dealing with their personal demons and those of history, find their place as pieces in this life-or-death puzzle, uncover hidden paranormal events connected to the Bible Code and the End Date, and decode the Mayan symbols that began their journey to avert the disaster that awaits the entire world on December 21, 2012.
