SMALL ISLAND, BIG HISTORY: ESSAYS ON THE BRITISH EMPIRE (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The island of Britain may be small geographically but its proverbial reach touched every corner of the globe by the end of the nineteenth century. Exploration had been the impetus behind the Age of Discovery and the news of far-away lands intrigued governments and captivated the masses. Britain knew that the future lay in across these vast expanses of open ocean and made every effort to become a key player in the changing international landscape. In essence, it will trace the evolutionary development of Great Britain's Empire from its earliest stages until it began to fragment and dismantle after the Second World War. Special attention is given to broad themes that affected multiple areas of the Empire and...
