

Tying Knots: Tie Knots and Use Them in the Wilderness: (Knot Tying, Knots) (Paperback)

Filesize: 5.82 MB

Reviews

Without doubt, this is actually the greatest function by any article writer. It is among the most amazing publication i have got read. Its been printed in an exceedingly basic way in fact it is simply after i finished reading through this publication where in fact changed me, change the way i believe.

Tying Knots: Tie Knots and Use Them in the Wilderness If you ever dreaded the thought of being stranded in a remote place without any idea how long you will remain away from civilization, this is your opportunity to learn some important skills of survival. This book clearly indicates the knots you need to be skilled at tying, being the most convenient ones to use in the wilderness. It also gives you indication as to when to use each of those knots, so that you do not end up causing more harm to yourself than good. You may probably have found yourself in a situation where you had a lot of useful information that could come in handy, but you only failed to act because you did not have the tools to implement whatever you knew. It is, definitely, a frustrating situation to be in. To avoid such frustration as well as danger to your life, you need to equip yourself with the skills necessary to create useful utility tools at a moment's notice. The tools this guide aptly addresses are survival knots. These could help you build a make-shift, but very important, shelter; make fishing equipment so you do not die from starvation; create tools to aid in scaling cliffs to escape danger; and so on. The things you are going to learn from this book include: How you should behave yourself when you realize you are stranded How to prioritize your actions on realizing you are stranded Situations where survival knots come in handy Meaning of terms...
