Lulu.com, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The intent of this book is to share the knowledge and magick I have collected, to aid others toward success and happiness, and to share a few recipes that will magically entice your lover, as well as others to protect your home and family. My ancestors knew these charms, for they had their own. They were attuned with the cycles of the earth, moon, stars, and planets. They made offerings to nature spirits, they cast spells for beauty, healed the sick, and removed evil intentions sent by meddling enemies. They were shamans, seers, and Witches, just like I am today. They understood Nature, as well as shared an innate connection with Her many blessings.
